

Editorial Intelligence Forthcoming Events: Speakers and Dates Updated:16 March 2017

Editorial Intelligence will run over fifty events in 2017 **eiNetwork Club** monthly supper salons are one of our most popular membership features. Chaired by eiAmbassadors it is a chance for the members to be the speakers and share their thoughts and opinions over delicious food and drink. Membership of the club - for an individual or an organisation to share with others - allows members to attend up to ten events a year across the different brands we curate under:

Networking Nations, our post-Brexit forum with a focus on policy and business in London and innovation and digital issues in Europe; **Early Risers**, our breakfast ideas gatherings with an emphasis on bringing together our rising stars under 40 into a room with members more established in their careers; **Comment Conference and Awards**, which celebrate the best of comment, opinion and journalism in the UK; and **Names Not Numbers**, our flagship symposium which culminates in a two-day 'experiential residential' in Oxford each September.

Our partners host our events with us and provide some member benefits as well as an unrivalled series of spaces in which people and ideas we curate can be connected in style, stimulation and comfort: *Corinthia London, Wellcome Trust, British Library, Waddesdon Manor, The Office Group, LIBRARY*. We have book and publication partnerships with *Harvard Business Review* and *Bloomsbury*, adding an interesting read into the hands of our members when we see them.

HOW TO ATTEND

If you **are** a member of the eiNetwork Club, you know what to do: Let laura@editorialintelligence.com know which events you want to reserve your place at. We will also send reminders in your regular club newsletter: Venues and timings advised on booking.

And if you are not (yet) a member of the eiNetwork club and would like to find out how to join, and to attend a trial Early Risers breakfast, please contact karen@editorialintelligence.com to find out more. Or you can download the annual membership form here:
